### About NeuroBo Pharmaceuticals

NeuroBo Pharmaceuticals, Inc., is a clinical-stage biotechnology company historically focused on therapies for neurodegenerative and infectious diseases. On September 14, 2022, NeuroBo entered into a license agreement with Dong-A ST Co. Ltd. and, if closing conditions are satisfied and the license agreement closes, NeuroBo will pursue therapies for cardiometabolic diseases. Its therapeutics programs currently include ANA001, an oral niclosamide formulation, which is in Phase 2/3 clinical trials to treat patients with moderate coronavirus disease (COVID-19); NB-01 for the treatment of painful diabetic neuropathy; NB-02 for the treatment of symptoms of cognitive impairment and to modify the progression of neurodegenerative diseases associated with the malfunction of tau protein; and gemcabene currently being assessed as an acute treatment for COVID-19 in combination with ANA001.

NeuroBo Pharmaceuticals, Inc. is headquartered in Boston, Massachusetts. For more information, please visit [www.neurobopharma.com](http://www.neurobopharma.com).

### Forward Looking Statements

Any statements in this press release that are not statements of historical fact constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include, but are not limited to, statements regarding NeuroBo's continued compliance with the Nasdaq listing rules and the license agreement between NeuroBo and Dong-A ST Co. Ltd., NeuroBo's ability to meet the conditions to closing of the license agreement, clinical development activities, the timeline for, and results of, clinical trials, regulatory submissions, and potential regulatory approval and commercialization of its current and future product candidates. Forward-looking statements are usually identified by the use of words, such as "believes," "anticipates," "expects," "intends," "plans," "may," "potential," "will," "could" and similar expressions. Actual results may differ materially from those indicated by forward-looking statements as a result of various important factors and risks.
